

Master's Skype Interview Guide

Tips for your Online Skype Interview

To successfully participate in the online interview, you will need:

- A Skype account [click here](#).
- Our Skype name is **pulsecollege**
- Send an email to filmscoring@pulsecollege.com with your Skype account name, together with a mobile/cell phone number or land line phone number, including your country code, so we can call you if required during the interview.
- Once you receive a Skype connect request from Pulse College, please add us to your Skype contacts at least one day prior to your online interview.
- Have access to a private room where you can participate calmly without interruption or distraction for the duration of the interview.
- Have access to a computer with uninterrupted internet connection and audio/video capability.
- Have access to a set of headphones and a microphone for use during the online interview.
- Natural light is preferable or good artificial lighting is fundamental.
- For additional support about Skype Video calling [click here](#).

How to submit your details by email:

When you send your Skype name and a contact phone number to Pulse College, via email, please write in the subject line "First name, Last name, Master's Skype Interview" to filmscoring@pulsecollege.com
